70

71

72 This preliminary amendment is filed in order to bring a specific preferred embodiment to
73 allowance quickly. Claim 1 is amended as in the listing of the claims. All other claims are
74 canceled herewith.

75

76 Applicants state that they are not conceding in this parent application that the canceled claims are
77 not patentable over any art or other rejection, as the claims are canceled only for facilitating
78 expeditious prosecution of the specific preferred embodiment.

79

80 Applicants are respectfully reserving rights to pursue the canceled claims and other claims in one
81 or more continuations and/or divisional patent applications without conceding any claim matter.

82

83 The Examiner is requested to allow the specific preferred embodiment as claimed herein. It is
84 anticipated that this amendment results in the allowance of the specific preferred embodiment.
